VISION

And He said, “Go ye into all the world, and preach the Gospel to every creature” (Person) Mark 16:15. And behold I saw and heard one saying “Crusade of the End time Message”. Then came another from the first and gave me a package saying “Go Proclaim”

This Ministry is a Gospel Outreach Ministry, with the vision of spreading the Good News of the Lord Jesus Christ the Only Way of Salvation. With its headquarters in Bamenda , North West Province-Cameroon. We work in collaboration with churches who accept the vision.

OBJECTIVES

The general objectives of WOFAGOM is to raise the Spiritual Morals of the community by preaching the Good News of the Lord Jesus Christ as the only way of salvation, the love of God and forgiveness of sins through the media, film projections, Christian literature, cassettes and the organisation of crusades.

WOFAGOM has the following specific tasks to perform to realise their goals which are divided into five components

1. THE MEDIA COMPONENT

- a) Radio: The WOFAGOM intends/continues to run gospel programs over the State owned radio stations (CRTV) as well as over other privately owned radio stations. This will in a way bring the gospel to the listeners right in their homes or wherever they have to be listeners of any of the programs
- b) Television: The gospel will also be preached over the State/Private owned Radio and Television stations. This will certainly go along way to letting the viewers receive the Good News.

2. CRUSADE COMPONENTS

WOFAGOM will continue to organise and hold Gospel preaching programs in the Urban Towns as well as at village levels. This will be taking the good News everywhere indeed. “Couple with tract Distribution”

3. CASSETTES MINISTRY COMPONENT

WOFAGOM will continue to buy, tape and distribute audio cassettes with Gospel Messages, with the following targeted groups:-

- a) All Highway transport buses, for drivers to play these cassettes as they journey, thereby giving the Gospel messages to their passengers. This on the long run touches some of them to re-examine their lives and come to Jesus Christ to be redeemed. Indeed those who will never go to church cannot avoid travelling.
- b) Officers of various categories, to be played in offices. This also takes the gospel Messages to those who visit these offices. It plays a big role in the lives of the officers themselves who are opportune to play the messages over and over.
- c) Hotels and popular bars, to be played in these enterprises for the listening of their customers
- d) Churches to be played to their brethren. To be given to individuals.

4. DAY DAWN GOSPEL TIME

With this component, WOFAGOM will intensify that before day dawn every day, the message should be preached through stationed speakers at strategic points in towns and villages.

By this way, those who will refuse a tract or personal approach or shut-off their radio, will not escape the Gospel by this component.

By the grace of God, we have already produced thirty-four master cassettes pending usage in the various components. The vision in this fourth component is that when the funds are available, in every place where people resides together from two hundred and above, they will benefit from this day dawn gospel time.

5. REACH THE PEOPLE WHERE THEY ARE:

By this component, WOFAGOM intends to go with a van and speakers with the Good News message to the streets and market places of the towns and villages. While the people are selling or passing they receive the gospel. “Coupled with tract distribution.”

DIVINE RECRUITMENT

Considering the lost state of man, the value of the soul, and the terrible consequences that awaits the lost, there is great urgency to rescue souls that might be lost forever. Considering that the labourers are few and the harvest being great;

- a) We have the honour of recruiting believers into the Lord’s army in any of the five components listed above who have the burden for lost souls, irrespective of their denomination/nation.
- b) Intercessors for the Ministry and the Labourers at the battle front.
- c) Sponsors: Those who will finance, give equipment or give materials etc as led by the Lord, “he who sows; he who waters and he who reaps shall all be rewarded” John 4:36
